Re: Family Tree Maker File Concerning Individual Members of the
Tejon Indian Tribe and Death Certificate for Irene Montes Gonzales

Dear Mr. Fleming:

Per your request at our meeting on July 30, 2007, please find enclosed a corrected version of the Family Tree Maker file that contains information relating to each individual Tejon Indian who possesses an Indian blood quantum of one-half or more. As we previously mentioned, the Family Tree Maker file is a draft, informal document maintained by the Tribe. The submitted binders constitute the formal submission by the Tribe and provide more complete information for each of the individuals (such as birth certificates and baptism records). As with the Tribe's previously submitted materials, we understand that your Office will maintain these files as confidential to the extent provided by law. We have also enclosed herein a copy of the certificate of death for Ms. Irene Montes Gonzales.

Thank you very much for your time and attention.

Best regards,

Lawrence S. Roberts
